ATLAS FOLDING BED MANUAL

Instruction and User Guide

PLEASE READ OUR USER GUIDE CAREFULLY BEFORE USE

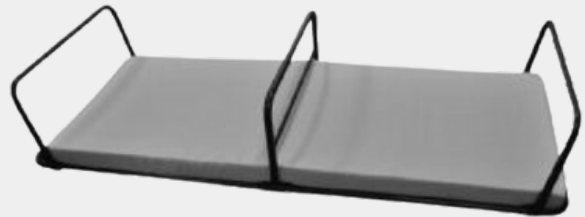

STEP 1

Remove the Folding Bed from the box and place it flat on the floor. Install the wheels, you just need to tighten the nut.

STEP 2

Unfold the bed. Raise all legs to their upright position. Make sure the legs are locked in place.

STEP 3

Remove the mattress carefully from within the metal frame and place to the side. Remove the plastic bag.

STEP 4

Turn over the metal frame with the legs standing on the floor.

STEP 5

Secure outer legs in place with the two hooks that are preinstalled on the inside of the two opposite corners of the frame.

STEP 6

Place the mattress evenly on top of the metal frame with the cover facing up.
